**Jim Murphy**

**Candidate for State District 133**

Jim Murphy served in the Texas Legislature from 2006 to 2008 representing District 133. A brief look at his career in business and public service reveals several constant traits: service, leadership, results.

Jim authored and passed 15 bills; the most of any first time member. His work focused on making government more efficient and accountable, and on protecting our community. Jim served as the Vice Chair of Urban Affairs committee, and was also a member of the Transportation, and the Rules and Resolutions Committees.

For the past 20 years, Murphy has served as one of the principal driving forces behind the Westchase District — the 4.2 square mile municipal management district in West Houston. Its success has had a tremendous impact in the community. Jim is a consultant to the district.

Jim and his wife, Dr. Kathleen Murphy, have two teenage sons.

**Lunch: We encourage members to eat lunch if possible.**

## President's Message—Patricia Henderson

Just when we think we have heard everything possible, the Obama administration puts forth something more disturbing. Consequently, along come the Town Hall Meetings! Conservative and moderate Americans have come forward to let elected officials know we are no longer accepting “his” change. We love our freedom, we love our religion, we love our guns, we love our elderly and we love our children. However, we do not need Obama indoctrinating or instructing our children in their schools. As far as I know, America is still the land of the free and home of the brave. All of us need to stand up and keep it that way. These are scary times for our nation but **TOGETHER WE CAN MAKE A DIFFERENCE.**

**RRRW NEEDS YOU!!!!!!**

We will hold elections for the 2010 Executive Board members of Ronald Reagan Republican Women in November. Our members need to step up and throw their hat in to the ring to help fill the following board positions:

**President –Lead the club and attend political functions to promote the club**

**Vice President – Assist current President and fill in for her whenever needed**

**Program Chair – Schedule speakers for monthly luncheon meetings**

**Membership Chair – Maintain membership lists and sign in members, visitors and candidates at monthly luncheon meetings**

**Recording Secretary – Take notes at monthly luncheon and board meetings**

**Corresponding Secretary – Send out thank you, sympathy, congratulatory notes, etc.**

**Chaplain – Lead the club in invocation at month luncheon meetings, board meetings and special functions**

Please let us know by September 17th if you are interested in volunteering for any of the above positions. Your name will be submitted to the Nominating Committee and all names will be presented to the club in October and voted on in November. What special talent(s) do you have to contribute to the newest, the most active conservative Republican women's club in Houston?

Please keep praying for our great nation and for our military...yes, we are still fighting the “war on terror,” our military and their families make the greatest sacrifices imaginable

**"One of the traditional methods of imposing statism or socialism on a people has been by way of medicine. It's very easy to disguise a medical program as a humanitarian project. Most people are little reluctant to oppose anything that suggests medical care for people who possibly can't afford it." –**

**President Ronald Wilson Reagan**
